OVERSIGHT BOARD OF THE
SUCCESSOR AGENCY
TO THE MANTECA REDEVELOPMENT AGENCY

To: Members of the Oversight Board

From: Karen L. McLaughlin, Executive Director 

Date: October 17, 2013

Subject: Approve Bond Proceeds Funding Agreements Between the
Successor Agency and the City of Manteca, and Taking
Certain Related Actions

Recommendation:

Adopt Resolutions Approving the Proposed Project Bond Proceeds Funding Agreements Between the Successor Agency and the City of Manteca as noted below:

1. Union Road Bridge Widening Bond Proceeds Funding Agreement;
2. South Area Regional Infrastructure Improvements Bond Proceeds Funding Agreement;
3. McKinley/Highway 120 Interchange Improvements Bond Proceeds Funding Agreement;
4. Access Road Milo Candini Bond Proceeds Funding Agreement; and
5. Community Parks Improvements Bond Proceeds Funding Agreement

Background:

In December 2005, the former Manteca Redevelopment Agency issued its Amended Merged Project Area Variable Rate Subordinate Tax Allocation Refunding Bonds Series 2005 to provide \$50,760,000 in bond proceeds to be used by the Agency to finance ongoing redevelopment activities, including a number of infrastructure projects. Each of these projects was

listed both in the Official Statement provided to the bondholders and in the bond's tax certificate.

Prior to the Agency beginning these projects, the Legislature abolished Redevelopment in the State of California, and through these acts, restricted access to the bond funds until completion of certain accounting reviews and issuance from the State Department of Finance (DOF) of a "Finding of Completion" (FOC). On May 31, 2013, the Successor Agency to the Manteca Redevelopment Agency received the FOC, which will now allow for the Agency to have access to the bond proceeds and begin construction on these much-needed projects.

The process required by the DOF to allow the use of the bond proceeds is still being developed. On August 14, 2013, the Oversight Board adopted a resolution of the Successor Agency and the City of Manteca in regard to the land purchase associated with the San Joaquin County South County Government Center Project. The City and the Successor Agency approved that agreement on August 20, 2013. The agreement was forwarded to the DOF for review. On September 25, 2013, the Successor Agency was notified that the DOF approved the Bond Proceeds Funding Agreement and was instructed to include the Agreement on the Agency's Recognized Obligation Payment Schedule (ROPS) 2013-14B. This action appears to set in motion a method by which the Successor Agency can begin to access the previously stranded bond proceeds.

On September 24, 2013, the Oversight Board of the Successor Agency to the Manteca Redevelopment Agency approved both the ROPS 2013-14B and a Bond Proceeds Funding Agreement template. Both have been submitted to the DOF for approval. In anticipation of the approval of the DOF for the first Bond Proceeds Funding Agreement, included on ROPS 13-14B were five of the projects that were to be originally funded with the 2005 bond proceeds. Staff is ready to complete design and begin construction on these projects as soon as approval to use the 2005 bond proceeds is received from the DOF. Staff will be providing a brief presentation on the five noted projects at the October 22 Oversight Board meeting in conjunction with this agenda item.

Following the same procedure that has already been approved once by the DOF, the City and the Successor Agency entered into individual bond funding agreements for each of these projects, using the template that has already been approved by the Oversight Board. These agreements were approved by the City and the Successor Agency at their October 15, 2013 meetings. Staff is now recommending the Oversight Board adopt resolutions approving these individual funding agreements. Once the agreements are approved by the Oversight Board, they will be forwarded to the DOF for final consideration and in support of the ROPS 2013-14B

bond requests. In approving these agreements, the City is committing to complying with the terms and conditions contained therein, and also agreeing to comply with the 2005 Bond Indenture, which committed these funds for public purposes.

Fiscal Impact:

Once these agreements receive final approval from the DOF, the Successor Agency will be withdrawing unspent bond proceeds remaining from the 2005 Manteca Redevelopment Bond Issue. Each of the associated projects was one of the 2005 listed projects, and bond funds can be spent for these purposes. Final approval by the California Department of Finance (DOF) will be required to secure access to this funding.

Once the bond funds are received, the City will bring forward additional related contracts and actions required to complete the identified projects.

The City shall perform such work in accordance with all applicable federal, state and local laws, rules and regulations. Subject to the covenants set forth herein, the City shall have the sole discretion with respect to the design, planning, specification and the timing with respect to all components of the Project.

Section 2. (a) The Successor Agency has prepared and submitted to the Oversight Board and the DOF, a ROPS ("ROPS 13-14B") covering the period from January 2014 through June 2014 (the "ROPS 13-14B Period"). (b) Subject to the approval (and any modification) by the Oversight Board and the DOF of the ROPS 13-14B item described in Section 2(a), at the commencement of the ROPS

(b) At any time, if the City determines that the amount previously transferred by the Successor Agency pursuant to this Agreement is insufficient for the completion of the Project, the City's Finance Director shall notify the Successor Agency, specifying the estimated dollar amount necessary for the completion of the Project (the "Additional Funding Amount"). To the extent that sufficient unspent 2005 Bond Proceeds remain available, the Successor Agency shall list the Additional Funding Amount on the ROPS for the next available ROPS Period. (c) Before the transfer of any Additional Funding Amount pursuant to Section 3(b) above, the City may, but is not obligated to, advance funds from sources available to City for the work necessary for the Project (each such advance being a "City Advance"). Any Additional Funding Amount transferred by the Successor Agency pursuant to Section 3(b) shall first be used to reimburse the City for outstanding City Advances, and then to pay for other expenditures of the Project.

Section 4. To the extent the City still holds unspent 2005 Bond Proceeds transferred pursuant to this Agreement after the completion of the Project (as determined by the legislative body of the City), the City shall return such unspent Bond Proceeds to the Successor Agency within a reasonable time after such determination.

Section 5. The City covenants that it shall use the 2005 Bond Proceeds in a manner consistent with the covenants in the Indenture, including, but not limited to, any covenants regarding the tax-exempt status of interest on the 2005 Bonds under the Internal Revenue Code of 1986, as amended, and any regulations promulgated thereunder.

Section 6. Each Party shall maintain books and records regarding its duties pursuant to this Agreement. Such books and records shall be available for inspection by the officers and agents of the other Party at all reasonable times.

Section 7. The Parties agree to take all appropriate steps and execute any documents which may reasonably be necessary or convenient to implement the intent of this Agreement.

Section 1. Subject to the provisions of this Agreement and with the funding provided pursuant to this Agreement, the City agrees to perform or cause to be performed all work required for the completion of the Project, including but not limited to the preparation of designs, plans and specifications and all demolitions, construction and installations. The City shall perform such work in accordance with all applicable federal, state and local laws, rules and regulations. Subject to the covenants set forth herein, the City shall have the sole discretion with respect to the design, planning, specification and the timing with respect to all components of the Project.

(b) Subject to the approval (and any modification) by the Oversight Board and the DOF of the ROPS 13-14B item described in Section 2(a), at the commencement of the ROPS 13-14B Period, the Successor Agency shall transfer an amount equal to the Project Estimate to the City from the 2005 Bond Proceeds.

Section 3. (a) The Parties acknowledge and agree that the 2005 Bond Proceeds shall be the sole source of the Successor Agency's payment for the completion of the Project pursuant to this Agreement.

(b) At any time, if the City determines that the amount previously transferred by the Successor Agency pursuant to this Agreement is insufficient for the completion of the Project, the City's Finance Director shall notify the Successor Agency, specifying the estimated dollar amount necessary for the completion of the Project (the "Additional Funding Amount"). To the extent that sufficient unspent 2005 Bond Proceeds remain available, the Successor Agency shall list the Additional Funding Amount on the ROPS for the next available ROPS Period. Any Additional Funding Amount transferred by the Successor Agency pursuant to Section 3(b) shall first be used to reimburse the City for outstanding City Advances, and then to pay for other expenditures of the Project.

Section 4. To the extent the City still holds unspent 2005 Bond Proceeds transferred pursuant to this Agreement after the completion of the Project (as determined by the legislative body of the City), the City shall return such unspent Bond Proceeds to the Successor Agency within a reasonable time after such determination.

Section 5. The City covenants that it shall use the 2005 Bond Proceeds in a manner consistent with the covenants in the Indenture, including, but not limited to, any covenants regarding the tax-exempt status of interest on the 2005 Bonds under the Internal Revenue Code of 1986, as amended, and any regulations promulgated thereunder.

Section 6. Each Party shall maintain books and records regarding its duties pursuant to this Agreement. Such books and records shall be available for inspection by the officers and agents of the other Party at all reasonable times.
